They are also looking for giant Jenga, Connect Four, and corn hole boards/bags. If you are a DIY'er and would be willing to make this for them please see Lauren for the plans, or if you have any of these and are willing to donate them let Lauren know.
4. We are looking for people to sponsor the flowers each week. The cost is \$35 and you can pay for them online or you may write a check with flowers on the memo line. If you would like to sponsor a week, email the church office and let Lauren know what week and who the flowers are in honor and/or memory of.
5. We had our first in-person intergenerational Sunday School class today! Compassion Camp: Changing the World with Lovingkindness, is about learning about compassion for others, ourselves and the world. Come and learn with us! We will be meeting in Lewis Hall every Sunday morning at 10am.
